Cambridge ESOL Certificate Courses

**Re: Cambridge Key English Tests (KET), Preliminary English Tests (PET) & B2 First for Schools (FCE), Advanced (CAE) Certificate Courses**

We are pleased to announce that the German School will continue offering the aforementioned external University of Cambridge - English for Speakers of Other Languages (ESOL) certificate courses under the umbrella of the Euro Campus in the next school year (2020/2021). The Eurocampus has been an official Cambridge ESOL Examination Centre since 2008. Our centre is privileged to be staffed with our own highly-experienced course administrators, examination invigilators and Cambridge ESOL-trained Oral Examiners. Most of our examiners are also external examiners for other Cambridge exams in China and other countries.

All our Cambridge courses are taught by native speakers of the English language. The programme runs over one school year during the AG periods and all our courses end with a year-end external Cambridge ESOL Examination held at the eurocampus. Registered candidates are awarded certificates by University of Cambridge ESOL upon completion of the external exams. There is a non-refundable course fee which covers prescribed course books, listening materials, administration charges and examination board fees. Please find below an overview of the programme.

The KET course is open to **Years 5 and 6** students. They are a natural continuation of the Cambridge YLE courses offered in the primary school and a great opportunity for students interested in advancing their English Language skills that lead up to a challenging University of Cambridge certificate exam. There are no entry requirements for the courses and the programme reinforces

B1 – Threshold Level of the language descriptors of the Council of Europe's Common European Framework of Reference for Languages (CEFR). The exam preparations include project work, literature studies and IT-based interactive activities.

Preliminary English Test (PET)

## Cambridge English - Preliminary English Tests (PET)

The PET course is open to **Years 7 and 8** students. They are a natural continuation of the Cambridge KET courses offered in the primary school and a great opportunity for students interested in advancing their English Language skills that lead up to a challenging University of Cambridge certificate exam. There are no entry requirements for the courses and the programme reinforces *B1 – Threshold Level of the language descriptors of the Council of Europe’s Common European Framework of Reference for Languages (CEFR)*. # Cambridge English First

First Certificate in English (FCE)

## Cambridge English B2 First for Schools – (AKA) FCE

Our regular FCE course for **Years 9 and 10** students are suitable for students looking to pursue more rigorous external English Language testing after the KET and PET courses. The FCE course is a solid foundation programme for a seamless transition to the Certificate of Advanced English (CAE), a high quality exam set at the right level for academic success. The language requirements of the course conform to *B2 – Vantage Level of the language descriptors of the Council of Europe’s Common European Framework of Reference for Languages (CEFR)*. FCE students may look forward to a rigorous preparatory course that exposes the students to an extensive range of language skills, and encourages independent thought. The training challenges learning via discussions and debates, research and investigation work, project presentations, literature and media studies as well as highly-interactive web-based activities.

KET, PET and FCE form the **Main Suite Examinations** of the University of Cambridge ESOL Tests and the Eurocampus is proud to be offering the full range of these certificate courses. Detailed information on the aforementioned courses can be found on the University of Cambridge ESOL Examinations website under this address: <http://www.cambridgeesol.org>.

It is useful to note that Cambridge English qualifications are taken by over 3.25 million people a year in 130 countries and recognised by more than 12,000 government departments, universities and employers around the world. Cambridge certificates are widely accepted as proof of English language proficiency for university entry especially in the UK and other English-speaking countries.

The latest release from the Cambridge ESOL presses confirm that Cambridge English qualifications satisfy the new English language requirements for all categories of visa for immigration to the UK, including visas for study under the Tier 4 regulations.

A full list of Secure English Language Tests (SELTs) published today by the UK Border Agency includes the following Cambridge English qualifications:

Cambridge English: Proficiency (CPE)

Cambridge English: Advanced (CAE)

Cambridge English: First (FCE)

Cambridge English: Preliminary (PET)

Cambridge English: Key (KET)

Cambridge English qualifications are especially suitable for people coming to live and work in English speaking countries, they have extremely high levels of reliability, security and support for learners, teachers, universities and employers. Additionally, the tests ensure that candidates have the language skills they need to succeed in work, study and everyday life in an English-speaking environment. All Cambridge English qualifications are closely linked to the Council of Europe's Common European Framework of Reference for Languages, which the UK Border Agency has used to specify minimum requirements for each category of visa.

**Cambridge Young Learners Exam (YLE)** Pre A1 Starters, A1 Movers and A2 Flyers, designed for young learners aged 6–12, provide a reliable and consistent measure of how well a child is doing in learning English. The exams are designed to make learning fun. Children are motivated by working towards certificates and earning the 'shields' that record their progress.

**A2 Flyers (YLE Flyers)** - A2 Flyers, formerly known as Cambridge English: Flyers (YLE Flyers), is one of our Cambridge English Qualifications. It is the third of our fun, activity-based English tests for children.

**A1 Movers (YLE Movers)** - A1 Movers, formerly known as Cambridge English: Movers (YLE Movers), is one of our Cambridge English Qualifications. It is the next step in a child's English language learning.

**Pre A1 Starters (YLE Starters)** – Pre A1 Starters, formerly known as Cambridge English: Starters (YLE Starters), is one of our Cambridge English Qualifications. It is the start of a child's language learning journey.
